INK TANK SYSTEM PRINTERS

L4150/L4160

Compact and sleek, the new tank design is integrated into the printer to allow the printer to have the smallest footprint* amongst all brands of ink tank printers that use bottled ink refills. Enjoy spill-free refilling with individual bottles which have unique nozzles that fit only into their respective tanks. Auto-duplex printing** affords users up to 50% savings on paper costs by printing automatically on both sides of paper. Remain connected with the option to print wirelessly over network or directly from your mobile devices using Wi-Fi Direct. Rejoice in exceptional print quality with the use of pigment black ink which produces water and smudgeresistant printouts.

Borderless Printing

Epson Connect

L4150

L4160

Each printer comes bundled with a starter kit of 1 x 127 ml bottle of black pigment ink and 3 x 70 ml bottles of colour ink.

ENGINEERED FOR BUSINESS

Superior Savings with Auto-Duplex**

Save up to 50% on paper cost with auto-duplex function which reduces paper consumption.

Seamless Connectivity

Share your printer over Wi-Fi, Wi-Fi Direct, and print on the go via a suite of Epson Connect features.

A4 Size Borderless Printing

Large-size photo printing is made possible with borderless printing up to A4 size.

^{*} Results obtained by comparing published specifications of minimum footprint of all brands of ink tank printers using bottled ink refills against the Epson L4150/4160. Results valid as of July 2017.
