## Special Condition

1.
  - a. The period of contract will be 5 (five) years with provision for extension of the period based on mutual agreement. The banks shall be liable to pay the annual license fee in advance before commencement of every year of license.
  - b. The Railway Administration will permit the license to operate Automatic Teller Machine for the monetary transaction on the terms and conditions hereinafter contained and subject to the rules and regulation in force of RBI or Ministry of Finance and rules/guidelines laws and amendments issued from time to time.
2. The ATM will consist of ground accommodation measuring 3.4 Sqr. mtr. (6x6 feet) only in concourse/circulating area . Railway Administration reserves the right to alter the location and measurement of the site if necessary without assigning any reason and no compensation will be granted to the license on this account.
3. The licensee shall not use the said counter for any purpose other than the Automatic Teller Machine Business. He will further keep it neat and clean and tidy and shall not occupy any space beyond the prescribed and approved area by the Railway Administration.
4. The licensee shall, therefore, pay all Taxes/GST etc. whatever payable or hereafter becomes payable to the Govt. or Municipality in respect of the said Automatic Teller Machine counter and shall abide by the rule/law of land, in force, relating to Automatic Teller Machine business.
5. That the license unless cancelled in terms of the provision hereinafter contained shall remain in force for a period of **05 (five) years**.
6. That the licensee shall not assign, transfer, mortgage and sublet the privilege conferred under this agreement.
7. That no building or structure of any kind whatsoever shall be erected by the licensee or the drawing of overhead or under ground cable or pipe lines, drainage system etc. shall be allowed without the permission in writing of the Divisional Engg. or any other officer duly authorized by the Railway Administration. The plan of the structure shall also be subject to the approval of the said officer and no construction shall be started without such approval in writing. Any building or structure erected by the licensee shall be treated as temporary structure.
8. That the licensee shall allow the Railway Administration free access at all time to the said land and shall whenever so requested by the Railway Administration.
9. That the Railway Administration shall not be liable for any loss or damage however caused to the property belonging to the licensee stacked on the land hereby licensed.
10. It will be obligation on the part of the licensee to keep adequate fire fighting arrangements such as fire buckets filled with water or sand and fire extinguisher in the site at his own expense to avoid the risk of fire.
11. The tenderer is expected to make survey of the area of the site for which offer to be given personally before offering tender.
12. In addition to the offered amount of License fee the licensee shall further pay the Electric installation charges, rent for the Meter charges for electric Energy consumed as per the Meter installed for the purpose to the Railway Administration through Station Manager which must be paid on third of the following month to which those relates.
13. The Railway Administration also reserve the right to terminate the contract forthwith in the event of Unsatisfactory performance of the license.
14. Subject as otherwise provided in this license, all notice to be given on behalf of the President of India and the action to be taken in his behalf by the Divisional Railway Manager (Commercial).N.E. Railway Varanasi.
15. That the license shall be governed by the rules, regulation and instruction which are in force or which may hereafter come enforce governing the use of the said land. The licensee further undertakes to pay all the taxes levied by or on behalf of the Railway Administration, local body civil body, or service department.

Signature of tenderer

16. The licensee have to deposit an amount of equal to six months of annual amount as security deposit for the due observance of the terms and condition of this license. No interest will payable on the security deposit. The Railway Administration shall be entitled to recover any money due from the license under this agreement or otherwise for the said security deposit. The security deposit will be refunded on satisfactory completion of the contract period taking into consideration that all railway dues are cleared.
17. The Railway Administration reserves the right to cancel this license at any time on giving 90 days notice in writing of its intention to do so and the licensee shall on expiry of the period of notice to vacate the land , remove all materials and structure, if any belonging to the licensee exists after the expiry of said period it shall be dismantled by the Railway Administration through its any officer, whose decision shall be final and binding . In case the licensee fails to restore the land to its original state as required by the Railway Administration . The Railway Administration may do so at the risk and cost of the license and the expenses so incurred shall be recoverable from the security deposit and/or any other money that is due to the licensee for the Railway Administration.
18. If on the expiry of the license the licensee continues to use the land, he shall be liable to pay wharfage charges prevalent at the station and the licensee shall be entitled to remove its belongings only when he had paid all the charges due to the Railway Administration.
19. After expiry of the licensed period, the licensee should immediately vacate the plot and hand over the possession to the person authorized by the Railway Administration on its behalf or apply for renewal of license within 90 days from the date of expiry of license. In the case of failure on the part of licensee either to vacate the premises on the expiry of licensed period or failure to apply for renewal of the license within 90 days of expiry of the license, the Railway Administration shall be entitled to recover without prejudice to other rights of the Railway Administration under this agreement or the law for the time being in force, the license fee at the rate of double the normal license fee already agreed to if the license for such period the plot remains in the possession of the licensee.
20. Any notice to be served on the licensee shall be deemed to be sufficiently served if delivered at or sent by the registered post addressed to the licensee at his/their last known place . Any notice to be served by the licensee on the Railway Administration shall be deemed to be sufficiently served if delivered at the office or sent by the registered post addressed to the Divisional Railway Manager(Commercial) of the division.
21. Railway is not responsible for any loss of cash, installation or any equipment due to whatsoever reason may be.

## **22. ARBITRATION.**

1. In the event of any question, dispute of difference arising under these conditions or any special conditions of contract, or in connection with this contract (except as to any matters the decision of which is specially provided for by these of the special conditions) the same shall be referred to the sole arbitrator of Gazetted Railway Officer appointed to be the arbitrator, by the General Manager in the case of contract entered into by the Zonal Railways. The Gazetted Railway Officer to be appointed as arbitrator however, will not be one of those who had an opportunity to deal with the matters to which the contract relates or who in the course of their duties as railway servant have expressed views on all or any of the matters under dispute or difference. The award of the arbitrator shall be final and binding on the parties to this contract.
2. The event of the arbitrator dying, neglecting or refusing or being unable to act for any reason, or his award being set aside by the Court for any reason , it shall be lawful for the authority appointing the arbitrator to appoint another arbitrator in place of the outgoing arbitrator in the manner aforesaid.
3. The arbitrator may from time to time with the consent of all the parties to the contract enlarge the time for making the award.
4. Upon every and any such reference, the assessment of the cost incidental to the reference and award respectively shall be in the discretion of the arbitrator.
5. Subject as aforesaid the arbitration & conciliation Act., 1996 and the rules there under and any statutory modifications thereof for the time being in force shall be deemed to apply to the arbitration proceedings under this clause.
6. The venue of arbitration shall be the place from which the acceptance note is issued or such other place as the arbitrator at his discretion may determine.
7. In this clause the authority, to appoint the arbitrator included, if there be no such authority, the officer who is for the time being discharging the functions of that authority, whether in addition to other functions or otherwise.

Signature of tenderer

23. Railway Administration reserves the right for deduction of Railway's due from contractor's security amount on the following grounds:-
- (a) Any amount imposed by the Railway Administration as fine under the penalty clause.
  - (b) Any amount which Railway becomes liable to the Govt. third party on behalf of any default of the contractors or any servant/Agent.
  - (c) Any payment/fine made under the order/judgment of any court/Forum or law enforcing agency or any person working on his behalf.
24. The contractor shall reimburse the security deposit to the extent the said amount is deducted within 15 days period failing which it will be considered and treated as breach of agreement.
25. The court of the place from where the award of tender has been issued shall also have jurisdiction to decide any dispute arising out of or in respect of the contract.
26. That, The bank will have to execute agreement on standard format and this agreement shall remain in force for a period of five years unless determined under any provision hereinafter.
1. Provided that it shall be always lawful for the Railway Administration to terminate the agreement at any time without assigning any reason and without being liable for loss or damage which the licensee may suffer by means of such termination by giving the licensee one month prior notice in writing of its intension to terminate the license.
  2. Provided that the termination of the license under this clause or any other clause herein shall not be deemed to prejudice or affect any claim or any right to indemnify which the Railway Administration has against this license in respect of breach of any condition of any of the agreement of matter pending in the court or before other agency authorized by law against the act of licensee, herein prior to the termination of the said agreement.
27. In the event of earlier determination before the expiry of licensee the license shall forth with remove his belonging and restore the said places of compartment which ever be applicable to the license in the original conduction without any object or opposition.
28. The contractor shall comply with all the provisions of labour laws and rules made there under and will also comply with the provision of the Indian Railways Act 1989 and the rules made there under. The contractor will also indemnify the Railway Administration for any loss and damage suffered due to violation of above provision.
29. The licensee will be liable for damage up to Rs. 5,000/- for default on the following ground:-
1. Late payment of Railway dues up to 10 days.
  2. Not following the instructions of the Railway Administration.
  3. Any staff of licensee found in drunken condition/indulging in bad conduct.
  4. Any staff of the licensee found creating nuisance on duty.
30. The date of commencement of the contract will be either(a) 60 days from the date of giving the letter for installation of Automatic Teller Machine, or (b) from the actual date of installation of Automatic Teller Machine by the licensee, whichever is earlier.
31. The Railway Administration shall not be responsible for any loss or damage caused to the contractor or total discontinuance of this scheme under the agreement for any reason whatsoever.
32. The Railway Administration reserves the right to recover as damage ranging between Rs. 500/- to Rs. 2000/- for irregularity/default, committed by the licensee on his/their employees.
33. Amendment/modification made in the policy of allotment of ATM from time to time will automatically be applicable.
34. The contractor is required to sign. and submit under the official stamps of the Bank/agency, all the pages of this tender document.
35. Tender should be kept valid for 120 days from the date of opening.
