ABOUT US

Dear Sir

We're passionate about spices.

For more than 15 years, Husk 'n' Spices is a major exporter under Edge Infinium Group of Companies established in 2005 for All kind of Spices, Spraydried Vegetable / Fruit Powders along with dehydrated vegetable / fruits flakes & powders, to cover major markets around the world.

Husk 'n' Spices, owns its processing units for Turmeric, Curcumin, Chilli, Cumin, Coriander, Mustard Seeds, Garam Masala, Madrascurry, Ginger, Garlic, followed by all kind of vegetables & fruit powders and maintains high quality yield and healthy plantations all year round. The Managing Director is personally involved in the selecting process to ensure that only the best is delivered to the world wide clientele.

Meeting the current global demand in areas of both- food and medicinal requirements, our own, immaculately managed state-of-the-art Cinnamon processing and packaging Centre ensures high turnover of Spices and Edible Powders, meeting our client needs.

Stringent Quality Control is maintained throughout the production process, keeping in mind, the final human consumption of our products. We employ well trained and experienced work force in both traditional and latest technical processing methods. Knowledge and skill passed down through generations are employed in preserving the true, pure, Spices Production. With many years of experience in the export business, Husk 'n' Spices, provides spice products for clients from all continents. Understanding the varied business needs, processes and etiquettes involved, we are truly a global provider. We export to countries such as Hungary, Spain, Italy, France, Russia, Ukraine, Morocco, Algeria and Netherlands our country profile keeps expanding. We hold our offices in Poland and Spain. In near future we are planned to expand in Canada and USA.
