INTRODUCTION OF ELCOATS **Eagle Eye on Quality**

Dear Customer,

Elcoats & Allied Industries are in the field of Anodizing, Hard Anodizing, Chromate conversion coating, titanium anodizing, polishing service and many more. Our services are very affordable and at competitive prices.

Elcoats been a leader in metal finishing industry from past two decades, operating also under umbrella of Electros Shades. In 2015 Elcoats coatings received the prestigious ISO 9001:2015 certification, from QCC India.

Our commitment to giving customers top notch quality, is evident in everything we do right from material anodizing, quality to timely delivery. Stringent checks are carried out at each stage by a highly experienced inspection team, chemists and quality controllers.

We work with state of the art equipment, and have over 10,000 square feet of production area and over 25+ highly skilled resources, technical equipped machinery to provide the metal product with highest quality outcome.

We at Elcoats are putting ourselves in our customer's shoes to provide innovative coating solutions most suitable to them. This quest to add value has seen us investing in talent and technology consistently.

We at Elcoats are thrilled to have the chance to submit a proposal that will help your organization achieve highest quality in products and lower its ROI costs. We can cater to various categories including automotive, rail, military, culinary, medical equipment's, defense, etc. Following are the services offered at Elcoats & Allied Industries:

| PROCESS | SPECIFICATION | TYPE | CLASS |
|------------------|---------------|------|---------|
| Normal Anodizing | MIL-A-8625 | II | 1 and 2 |
| Hard Anodizing | MIL-A-8625 | III | 1 and 2 |

| | | | |
|---------------------|--------------|----------|----------|
