We are leading Manufacturer and Supplier of a wide range of Casting Products such as Canteen & Kitchen Burner Grates & Gas Burner. Our products are treasured for their reliability, corrosion resistance and longer service life.

Established in the year 1994, we, “Shree Laxminarayan Casting”, are one of the leading Manufacturers and Suppliers of a broad array of Casting Products such as Canteen & Kitchen Burner Grates, Chinese Burner Grates, Square Burner Grates, CI & MS Puffer Plate, Gas Burner, High Pressure Burner, Bunsen Burner, Sliding Gate Wheel and Cast Iron Wheel, etc. All our products are acknowledged for their reliable functioning, smooth finishing, corrosion resistance and longer service life. We fabricate our offered range using premium quality raw material which is acquired from our trustworthy vendors in adherence to international quality standards. For the consistency in quality we apply most modern techniques in the fabrication process. Our esteemed clients can avail these products in various specifications at competitive price range. To facilitate our patrons, we also offer them the customized range in exact specifications provided by them. Owing to the quality, these match the international standards and thus, are demanded by our clients across the domestic market.

Based in Rajkot, Gujarat (India), our organization is equipped with all the required facilities to design a range that is in accordance with the requirements of our clients. A well-established infrastructure equipped with latest machines and equipment allows us to manage huge production in an efficient manner. Our well-developed R & D team assists us in developing a highly advanced range of offered products. In order to meet the bulk requirements of clients in a predetermined time frame, we are facilitated with the voluminous warehousing unit to keep the consignment safe. We have hired a team of adroit professionals. All the team members work in full cooperation with each other in order to achieve the maximum client satisfaction. Our diligent professionals make sure that the quality is not compromised at any of the stages of production. Moreover, they also see to it that orders are delivered within the committed time frame.

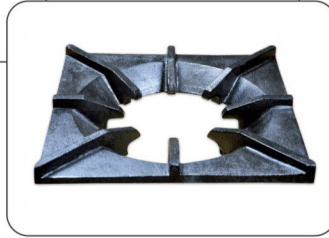

The main objective of our enterprise is to deliver quality assured products within the promised time schedule and our team members work in close co-ordination with each other to fulfill this objective. They work hard in order to develop our offered range as per international quality standards. Each and every product is checked by our skilled quality inspectors. We have become the most reliable name in this domain due to the excellent quality of offered products. We are attaining maximum client satisfaction by offering these high quality goods and services. Furthermore, our ethical trade practices, clear business dealings and timely delivery of goods help us in maintaining cordial relations with our clients. We offer our products to the customers at extremely affordable prices. Due to our fair trade policies and continuous effort we have created a niche in the global market.

We owe our success to our mentor, “Mr. Prakash Panchotia”. He holds rich experience in the domain and is well-versed with the process. With the assistance of other team members, he aims at achieving the organizational goals within the stipulated time frame.
