

STARTECH

PROJECTS & ENGINEERS

A STEP TOWARDS ENGINEERING

*Designers, Engineers,
Manufacturer and Projects
Execution.*

✓ *STARTECH is a leading service provider for DESIGN, ENGINEERING, MANUFACTURING & PROJECT EXECUTION services to the oil & gas and chemical industries.*

STARTECH carrying on the business of critical capital equipment required for industries such as Petroleum, Fertilizers, Chemical, Cement, Steel, Ceramics, pharmaceuticals, sugar & cryogenic etc. we are specialized in execution of 'TURNKEY' projects for chemical and process industries. our specialties include supply of gas handling projects /equipment for various oil & gases viz. LPG, Propane, Butane, Ammonia, Oxygen, Nitrogen, Hydrogen, Carbon dioxide, Double wall vacuum insulated thermosyphon LOX/LIN/LAR storage tank & Flat bottom cone roof storage tanks for HSD, FO, BO, LDO, EO, etc.

○ **The Design & Engineering** - We provide design Engineering for - oil & gas, chemical, pharmaceuticals, sugar & cryogenic industries.

○ **The Manufacturing-** We manufacture tanks, pressure vessels, tanks & other fabrication job for- oil & gas, chemical, pharmaceuticals, sugar & cryogenic industries.

○ **The Projects** - We Execute project for - oil & gas, chemical, pharmaceuticals, sugar & cryogenic industries.

✓ *Our Success Story*

The Company is established in year 2021 and is offering engineering services in terms of DESIGN, ENGINEERING, MANUFACTURING & PROJECT EXECUTION in the regional markets.

This Company is a leader in providing value-added Engineering services to our customers by creating a successful partnership with them throughout the construction process. Our pledge is to establish long lasting relationships with the customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team.

★ Meet Our Team ★

We have a team of highly experienced on design, production, quality control & project execution.

WE DESIGN, SUPPLY & INSTALL

LPG Handling System.
LPG Bottling Plant
Oil Handling System.
Oil/Gas Separator

Liquid Carbon Dioxide Handling System.
Ammonia Handling System
LOX/LIN/LAR cryogenic tanks & cylinder filling system

OUR PRODUCTS

- Pressure Vessel
- O2/N2/ Ar Storage Tank
- CO2 Storage Tank
- Storage Tank
- O2/N2/ Ar Horton sphere
- Air receiver.
- Molasses sugar tank
- Molasses Separation Tank
- Sugar Cane Storage Tanks
- Sugar storage tank.
- Ethanol storage
- Methanol storage tank
- Ethelene oxide storage tank
- Ammonia storage tank.
- LOX/LIN/LAR cryogenic double wall Storage Tanks.
- Cryogenic Cylinder filling system.
- Chemical storage tank
- Agitator/Reactor/Mixture.
- LPG/Propane/Butane Storage Tank
- Mounded storage tanks
- HP separator
- Slug catcher
- LPG/Propane Horton sphere
- LPG transportation tanker
- LPG Bobtail tanker.
- Cone roof storage tank
- Dome roof storage tank
- Oil Storage Tanks
- Stainless Steel Storage Tanks
- Fish oil storage tank
- Furnace oil storage tank
- Base oil storage tank
- Acid storage tank.

Our Company Mission

Dedication to providing quality products, technical and management services to our clients. We will strive to implement a long term relationship with our clients, based on safety, quality, timely service and an anticipation of their needs. To help fulfil this mission, we will treat all employees fairly and involve them in the quality improvement process to insure responsiveness and cost effective work execution.

Our Company Vision

To become one of the leading engineering service provider with best quality and cost-competitiveness. To provide cost-effective and quality solutions for our clients

OUR PROJECTS

- LPG bottling plant
- LPG import & distribution terminal
- LOX/LIN/LAR
- Horton Sphere erections & installation
- Cylinder filling system

Pressure Vessel

Oxygen Storage tank

Nitrogen Storage tank

Argon Storage tank

L CO2 Storage tank

Horton sphere

LPG Storage Tank

Propane Storage Tank

Horton Sphere

LPG transportation/road tanker

LPG Bobtail road tanker

LPG Bobtail Metering system

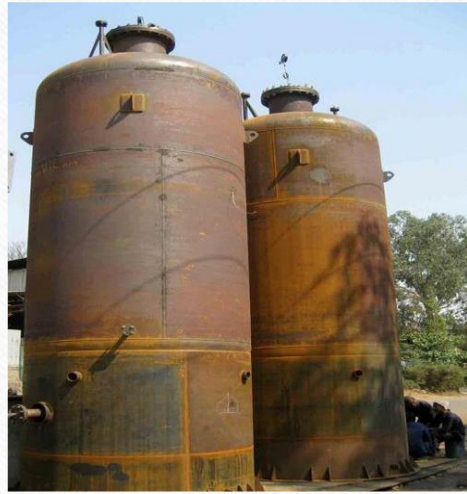

LPG mounded Storage Tank

LPG Bottling plant - LPG tanks, Filling pumps, compressor, filling hall equipments, Roller/chain conveyor, pipeline etc.

Molasses sugar tank

Molasses Separation Tank

Sugar Cane Storage Tanks

Sugar storage tank

Sugar syrup preparation Tanks

Sugar Tanks

SS storage tanks

Cone roof storage tank

Dome roof storage tank

SS Oil storage tank

Furnace Oil storage tank

Fish oil storage tank

MS Oil storage tank

Base oil storage tank

Acid storage tank

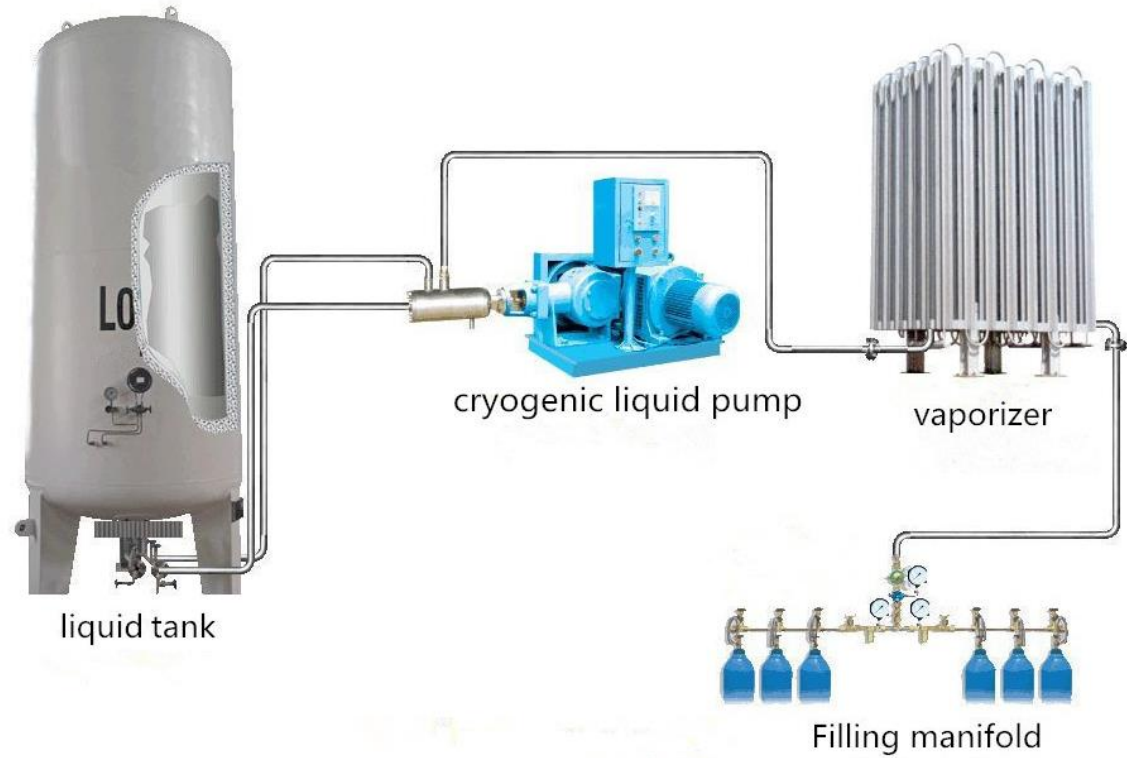

Stainless steel limped coil Chemical Agitator/Reactor/Mixture for chemical & oil industries.

Pharmaceutical Stainless steel double limped coil with jacketed Agitator/Reactor/Mixture.

Filling station flowchat

LOX/LIN/LAR STORAGE
TANKS & CYLINDER FILLING
SYSTEM WITH MANIFOLD

LOX/LIN/LAR CRYOGENIC DOUBLE WALL THERMOSYPHON VACUUM PERLITE INSULATED STORAGE TANKS & FILLING SYSTEM - Cryogenic tanks, Filling pumps, vaporizer, manifold with filling equipments, & pipeline etc.

PEB Structure fabrication & Erection

Chimney Fabrication & Erection

We are a supplier and trader of a wide range of Electrical Equipment such as MCB, MCCB, ELCB, Isolators, Main Switches, Lugs, connector, Panels, Distribution boards, Switch Disconnecter. Multiplexer Switch IC, Electrical Contacts, current transformers, earthing Components, Contact Element, voltage limiters, conductor support, cable lugs & gland.

We also deal with Pressure, Temperature, Level & flow measurement for oil & gas and chemical industries.

STARTECH PROJECTS & ENGINEERS,

GST NO- 27AENFS6210H1ZV,
PAN NO - AENFS6210H,
TAN NO - PNES80853D,
IEC NO - AENFS6210H.
MSME NO - UDYAM-MH-33-
0139946.

Reg. Add.

401 C - 4 Wing Panvelkar campus,
Bhopiwadi
Ambarnath West, Thane
Ambarnath - 421505
Maharashtra, India.

We are working with
esteemed consultant &
TPIA such as
LURGI, LLOYD'S,
BVIL, DNV, TUV & SGS
etc.
