SFC 407 TT

India's Iconic LCVs

The right choice for the Indian market

SFC 407 TT

India's quarry specialist, rightly named as the only light truck with optimum Power & Torque, giving it the ability to mount any gradient and rule any road. The SFC 407 TT with its 4-rear tyres is extremely stable and well-equipped to handle uneven load distribution and vertical loading with ease.

SFC: ADVANTAGE

SAFE & COMFORTABLE

We understand that driving commercial vehicles is a serious business. For special applications where often speed is of the essence, the customer needs to know that he will be safe at all times. The unique 'nose' of the SFC 407 gives confidence, safety and security to the person behind the wheels.

Tata Motors is the only manufacturer in the country actively selling SFC face vehicles in the Light Commercial Vehicle segment. At Tata Motors, we believe that safety is our number one priority.
